Place of birth:	Nationality:
Parents' and/or guardian's or legal representative's details	
Surnames and names:	
Date of Birth:	
Relationship with the minor:	
Surnames and name: Date of Birth:	
Relationship with the minor:	
I hereby inform the relatives who are responsible for the girl about the following:	
TT 1 1.1	5. 1

- The healthcare risks of female genital mutilation.
- The legal framework on female genital mutilation in Spain, where it has been considered a crime of personal injury in accordance with Article 149.2 of the Criminal Code, even if it is performed outside national territory, under the terms envisaged in the Organic Law of the Judiciary, amended by Organic Law 1/2014 of 13th March.
- The practice of female genital mutilation is punishable with a prison sentence of 6 to 12 years for the parents, tutors or guardians, and special disqualification from exercising parental authority, guardianship or fostering of 4 to 10 years (parents may not exercise parental authority nor have their daughter with them, and consequently the relevant public child welfare authorities take over guardianship and the girl may be taken in by a foster family or a children's home.

Consequently, the persons responsible for the minor:

- Hereby state that the doctor responsible for the health care of their daughter has informed them about the different aspects of female genital mutilation.
- State that they have understood the purpose, scope and legal consequences of these explanations.

- Undertake to care for the health of their daughter, for whom they are responsible, and to avoid/prevent genital mutilation.

As proof of the foregoing, I read and sign the original of this duplicate commitment, filing one copy.
